

Release Notes

Android™ 14 Build OS U-1.0.0-20250703 For Mesa® 3 Rugged Tablets Running the Android Operating System

These notes include important information for our Mesa 3 customers regarding the most recent release of the Android operating system.

Documentation and software updates are located on the Juniper Systems® website: <https://www.junipersys.com/support>.

Updates

- Added security patches to July 2025.
- Updated touchscreen profiles to support the new display screen.
- Added the ability to enable or disable NFC in the Settings app.

Fixes

- Fixed an issue that could cause the NFC software to crash during use.
