

Release Notes

Android™ 14 Build OS U-1.0.0-20251007 For Mesa® 3 Rugged Tablets Running the Android Operating System

These notes include important information for our Mesa 3 customers regarding the most recent release of the Android operating system.

Documentation and software updates are located on the Juniper Systems® website: <https://www.junipersys.com/support>.

Updates

- Added security patches for August, September, October, and November 2025.

Fixes

- Fixed an issue that caused the keypad backlight to turn on and off randomly while the screen was off.
